PROFILE

Computer science student specializing in software engineering with strong foundations in full-stack development, backend development, databases, and software design. Experienced in building scalable web applications using Angular and Express.js, designing RESTful APIs, and working with relational databases and system architecture.

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python, JavaScript, TypeScript, SQL, PL/SQL, T-SQL, Bash, Assembly

Frontend Development: Angular, HTML, CSS, Tailwind CSS

Backend & API Development: Node.js, Express.js, RESTful APIs

Databases: PostgreSQL, Relational Databases, Data Modeling, SQL Concepts

Cloud & Storage: Backblaze B2 (Object Storage)

Software Engineering: UML, OOP, System Design, Software Architecture

PROJECTS

ArtisanArt – E-Commerce Web Application 2025

Angular, Node.js, Express.js, PostgreSQL

- Developed a full-stack platform helping local artisans promote and sell handmade products online.
- Implemented user-friendly interfaces and product management features with RESTful APIs and relational database design.

CityConnect – Smart Community Platform 2026

Angular, Node.js, Express.js, PostgreSQL, Backblaze B2

- Developed a platform digitizing municipal services and enabling online administrative procedures and public information access.
- Integrated a service marketplace for manual laborers (electricians, plumbers, builders) to connect with citizens.

Robinson Hotel Management System 2025

Java, Object-Oriented Programming

- Developed a desktop application for hotel reservation management, including booking, customer, and room tracking modules.
- Applied object-oriented design principles and modular software architecture.

EDUCATION

Software Engineering Cycle 2025 – Present

Faculté des Sciences de Tunis (FST)

Integrated Preparatory Cycle – MPI 2023 – 2025

Faculté des Sciences de Tunis (FST)

Baccalaureate in Technical Sciences – Mention Très Bien (17.14) 2023

Lycée Pilote de Gafsa

LANGUAGES

Arabic (Native) • French (Fluent) • English (Fluent) • Spanish (Proficient)
